

# Movin' On

Bananarama

You know I'll miss you  
When you're gone  
And I can't pretend  
That I know when  
Our love started to go wrong

I know we planned to stay together  
We just ran into stormy weather  
We couldn't see the dark clouds in the sky

But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on

We talked it over  
We've said it all  
But who could say  
It would be this way  
But the writing's on the wall

And now the sun has finally set and  
This is where the story ends we  
Didn't count upon a rainy day

But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on

But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on

I'm movin' on

I'm movin' on

I know we planned to stay together  
We just ran into stormy weather  
We couldn't see the dark clouds in the sky

But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on

But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on

I'm movin' on

But I had no way of knowing  
And I don't know where I'm going  
But I'm movin' on
