

# Rough Justice

Bananarama

The young don't grow up  
Well not in this life  
Big mouths and money  
Win every time  
Boy beats girl  
While the sneaky and snide  
Take all your money  
And take your pride

Innocent people walking by  
No time to smile before they die  
Don't call that justice  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice

King for a day  
But their kingdom grows cold  
They'll never grow up  
But they're bound to grow old  
I remember the pain  
And humiliation  
And I'll show them rough justice  
The way that they did

Innocent people walking by  
No time to smile before they die  
Don't call that justice  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice

Innocent people walking by  
No time to smile before they die  
Don't call that justice  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice

Boy beats girl  
While the sneaky and snide  
Take all your money  
And take your pride

Innocent people walking by  
No time to smile before they die  
Don't call that justice  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice

Innocent people walking by  
No time to smile before they die  
Don't call that justice  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice

Don't call that justice...
