

## S-S-S-Single Bed

Bananarama

C-c-c-come, come inside  
Oh I've been expecting you to arrive  
Sh-sh-sh-shoes, shake 'em off  
While I go and turn the music down soft

[Chorus:]

Oh, but all I've got is a s-s-single bed  
There ain't no room for your sweet head  
Now ain't it a shame you missed the last train?  
'Cause all I've got is a s-s-single bed  
S-s-s-single bed, s-single bed  
There ain't no room for your sweet head  
S-s-s-single bed, s-single bed  
I've got a one solitary lonesome single bed

P-p-p-pour out the wine  
And we could explore each other's minds  
T-t-t-time don't half fly  
When the pleasures of night are reaching so high

[Chorus]

Baby don't cry  
Bye bye baby  
Baby don't cry  
Bye bye baby

[Chorus]

S-s-s-single bed, s-single bed  
There ain't no room for your sweet head  
S-s-s-single bed, s-single bed  
I've got a one solitary lonesome single bed
