

True Confessions

Bananarama

If you want love, come and get it
Well that's alright with me
And if you think that's tough, forget it
'Cos there's no guarantee (No guarantee)

Well your dreams won't last forever
And that's how it should be
I'm only living for your pleasure
Your real life fantasy (Real life fantasy)

True Confessions
True confessions can reveal
True confessions, True confessions
False impressions
False impressions disappear
True confessions
True confessions you come back
You come back
True Confessions, True Confessions
These obsessions
These obsessions of your mind
Of your mind

If I lead you to the water
Oh, will you take a drink?
Emotions that you torture
Make you stop and think (Make you stop and think)

True Confessions
True confessions can reveal
True confessions, True confessions
False impressions
False impressions disappear
True confessions
True confessions you come back
You come back
True Confessions, True Confessions
These obsessions
These obsessions of your mind
Of your mind

True Confessions
True confessions can reveal
True confessions, True confessions
False impressions
False impressions disappear
True confessions
True confessions you come back
You come back
True Confessions, True Confessions
These obsessions
These obsessions of your mind
Of your mind

These obsessions of your mind
True Confessions
Of your mind
