

## Young at Heart

Bananarama

Young at heart  
Yet what a start  
Old before their time  
Married young  
For love at last  
It was there only crime

How come I love them now  
How come I love them more  
But all I wanted to do when I was  
Old was to walk out the door

Young at heart  
Yet not a chance  
To be a child at all  
They told me tales  
They told me lies  
I shouldn't have known at all

How come I love them now  
How come I love them more  
But all I wanted to do when I was  
Old was to walk out the door

Young at heart  
Should exercise  
Who's right who's wrong  
Two brothers two more hearts  
Too hard to take it all

How come I love them now  
How come I love them more  
But all I wanted to do when I was  
Old was to walk out the door
