Banaroo

Dum da ba dum  
Da ba da ba da ba dum  
Da ba dum da ba dum da ba dum  
(You're my SOS)

Dum da ba dum  
Da ba da ba da ba dum  
Da ba dum da ba dum da ba dum  
(You're my SOS)

I'm calling you, I'm calling you  
I need you today  
Because I lost my direction  
In the endless milky way

Emergency, emergency  
Never get me home  
I can find a way but I can  
Find it on my own

Come to me, come to me  
Please don't hesitate  
You have to arrive on time  
Before it is too late

Help me please, help me please  
It's getting dangerous  
Is there really no one  
Who received my SOS?

Dum da ba dum  
Da ba da ba da ba dum  
Da ba dum da ba dum da ba dum  
(You're my SOS)

Dum da ba dum  
Da ba da ba da ba dum  
Da ba dum da ba dum da ba dum  
(You're my SOS)

Help me be my guide  
Be my satellite  
I lost my way tonight  
So be my satellite  
I need you by my side  
Be my satellite  
I hope you soon arrive  
Be my satellite

Dum da ba dum  
Da ba da ba da ba dum  
Da ba dum da ba dum da ba dum  
(You're my SOS)

Dum da ba dum  
Da ba da ba da ba dum  
Da ba dum da ba dum da ba dum

(You're my SOS)

Pick me up, pick me up  
I'm waiting just for you  
My energy is love  
And I don't know what to do

Bring me back, bring me back  
It's emergency  
Be my satellite  
And get me through the galaxy

Rescue me, rescue me  
Just come and take me home  
Don't leave me alone  
In the twilight zone

Help me please, help me please  
It's getting dangerous  
Is there really no one  
Who received my SOS?

Dum da ba dum  
Da ba da ba da ba dum  
Da ba dum da ba dum da ba dum  
(You're my SOS)
