Call Me, Beep Me!

Banaroo

Call me, beep me if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cellphone ring
Doesn't matter if it's day or night
Everything's gonna be alright
Whenever you need me baby
Call me, beep me if you wanna reach me

I'm your basic average girl
And I'm here to save the world
You can't stop me
Cause I'm Kim Po-ssi-ble
There is nothing I can't do
And when danger calls
Just know, I'm on my way (I'm on my way)

It doesn't matter where or when there's trouble
If you just call her name
Kim Possible

Call me, beep me if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cellphone ring
Doesn't matter if it's day or night
Everything's gonna be alright
Whenever you need me baby
Call me, beep me if you wanna reach me

Message clear I am here (I am here)
I'm never gonna to leave you alone (Leave you alone)
You can always count on me
When it gets dark I'll help you see
I will help you find your way (I will help you find your way)

It doesn't matter where or when there's trouble
If you just call her name

Call me, beep me if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cellphone ring
Doesn't matter if it's day or night
Everything's gonna be alright
Whenever you need me baby
Call me, beep me if you wanna reach me

Doesn't matter where
Doesn't matter when
I be there for you til the very end
Danger or trouble
I'm there on the double
You know that you always can call
