When I was lying in my bedroom
There was a scary sound behind the door
It was a sound of space and nowhere
I never heard before
Got out of bed and saw this green light
There was something going on
But then I saw an alien and he
began to sing his song

It goes

Dubi Dam Dam - Da Dubi Daba Dibi Dam

Dubi Dam Dam - Da Dubi Dibi Dam

Dubi Dam Dam - Da Dubi Daba Dibi Dam

Dubi Dam Dam - Da Dubi Dibi Dam

Dubi Dam Dam - Da Dubi Dibi Dam

He stood in front of his blue starship
I saw that he could fly just like a bird
He told me stories about his planet
Across the universe
With lots of fun we talked for hours
But later on he had to leave
Now he is gone but I can still hear
His little melody

It goes

Dubi Dam Dam - Da Dubi Daba Dibi Dam

Dubi Dam Dam - Da Dubi Dibi Dam

Dubi Dam Dam - Da Dubi Daba Dibi Dam
