

Oriental Dream

Banaroo

Touch my heart and soul
Tell me tales so old
Take me back in time
It's fine, so fine
Are we here and now
Or somewhere, somehow
It's so deep inside
My mind, my mind

Tell me secret fairytales
Of gamblers, winners, losers

The oriental dream
Nanana na nananana nana na nananana nana na nananana nana
The oriental dream
Nanana na nananana nana na nananana nana na nananana

1001 Nights
Feel it deep inside
So mysterious
Can't wait, can't wait
Sultans fight and win
Nothing is a sin
Seems so dangerous
I am afraid

Tell me secret fairytales (fairytales)
Of gamblers, winners, losers

The oriental dream
Nanana na nananana nana na nananana nana na nananana nana
The oriental dream
Nanana na nananana nana na nananana nana na nananana

Tell me secret fairytales
Of gamblers, winners, losers

The oriental dream
Nanana na nananana nana na nananana nana na nananana nana
The oriental dream
Nanana na nananana nana na nananana nana na nananana

The oriental dream
Nanana na nananana nana na nananana nana na nananana nana
The oriental dream
Nanana na nananana nana na nananana nana na nananana
