Banaroo

We can't, we can't back down  
We can't, we can't back down  
We can't, we can't back down  
We can't, we can't back down

Not right now, we can't back down  
Not right now, we can't back down

We can't back down

Ooh, ooh, yeah, yeah

Don't close your eyes  
We're all in this together, wherever  
We draw the line,  
We're not gonna straddle across it or lose it

We can't back down,  
There's too much at stake.  
This is serious don't walk away.  
We can't pretend it's not happenin' in  
Our own backyard, our own home plate

(No way)  
We can't walk out,  
Till you hear your name  
I am not confused,  
Let's win this thing

We can't back down,  
There's too much at stake.  
Don't walk away, don't walk away

Yeah, yeah, yeah

Don't get me wrong  
I don't like confrontation  
I'd rather we,  
All just get along  
Music should be undivided, united!

We can't back down,  
There's too much at stake.  
This is serious don't walk away  
We can't pretend it's not happenin' in  
Our own backyard, our own home plate

(No way)  
We can't walk out,  
Till you hear your name  
I am not confused,  
Let's win this thing

We can't back down,  
There's too much at stake.  
Don't walk away, don't walk away

Don't walk away....  
Yeah,yeah,yeah....

We got a situation that,  
We can't ignore,cause  
Ignorance is not bliss,  
We don't have to take this,NO!

With every big decision  
Comes incapably important  
Share of the risk,  
We gotta take this.(Oh)

We can't back down,  
There's too much at stake.  
This is serious don't walk away  
We can't pretend it's not happenin'in  
Our own backyard,our own home plate

We can't walk out,  
Till your hear your name  
I am not confused,  
Let's win this things

We can't back down,  
There's too much at stake.  
Don't walk away,don't walk away

We can't back down  
We can't back down  
Not right now,we can't back down
