

## Sweet Sensation

Banaroo

Sha-la-laaa-laaa-la-la  
sweet sensation  
Sha-la-laaa-laaa-laaa  
you're my sweet sensation  
Sha-la-laaa-laaa-la-la  
sweet sensation  
you're my sweet sensation  
& you're my sweet sensation  
It's summertime  
say you'll be mine  
come on baby and don't be worried  
My candy toy  
just be my boy  
drop the shame cause from now we're having fun  
You look so sweet  
just what I need  
you make me glad when we stay together  
I lose control  
you spin my soul  
I just can't get enough of you baby  
Sha-la-laaa-laaa-la-la  
you are the sweetest one  
sha-la-laaa-laaa-laaa  
like marshmallows and bubblegum  
sha-la-laaa-laaa-la-la  
you are the sweetest one  
and you're my sweet sensation  
Sha-la-laaa-laaa-la-la  
My chocolate bar  
my superstar  
when you move you drive me crazy  
Like ice and cream  
another dream  
every kiss is melting me away  
Your eyes are sunny  
you taste like honey  
and your lips are full of flavour  
I'll beg and plead  
for a bedtime sweet  
I just can't get enough of you baby
