

Sweet Sensation

Banaroo

Sha-la-laaa-laaa-la-la
sweet sensation
Sha-la-laaa-laaa-laaa
you're my sweet sensation
Sha-la-laaa-laaa-la-la
sweet sensation
you're my sweet sensation
& you're my sweet sensation
It's summertime
say you'll be mine
come on baby and don't be worried
My candy toy
just be my boy
drop the shame cause from now we're having fun
You look so sweet
just what I need
you make me glad when we stay together
I lose control
you spin my soul
I just can't get enough of you baby
Sha-la-laaa-laaa-la-la
you are the sweetest one
sha-la-laaa-laaa-laaa
like marshmallows and bubblegum
sha-la-laaa-laaa-la-la
you are the sweetest one
and you're my sweet sensation
Sha-la-laaa-laaa-la-la
My chocolate bar
my superstar
when you move you drive me crazy
Like ice and cream
another dream
every kiss is melting me away
Your eyes are sunny
you taste like honey
and your lips are full of flavour
I'll beg and plead
for a bedtime sweet
I just can't get enough of you baby
