Do They Know It's Christmas

Band Aid

It's Christmastime; there's no need to be afraid At Christmastime, we let in light and we banish shade And in our world of plenty we can spread a smile of joy Throw your arms around the world at Christmastime

But say a prayer to pray for the other ones At Christmastime It's hard, but when you're having fun There's a world outside your window And it's a world of dread and fear Where the only water flowing is the bitter sting of tears

And the Christmas bells that ring there Are the clanging chimes of doom Well tonight thank God it's them instead of you And there won't be snow in Africa this Christmastime

The greatest gift they'll get this year is life Oh, where nothing ever grows, no rain or rivers flow Do they know it's Christmastime at all?

Here's to you, raise a glass for ev'ryone Here's to them, underneath that burning sun Do they know it's Christmastime at all?
