

NW Apt.

Band of Horses

Northwest apartment, apartment
I'm driving over in Oakridge baby with the whole neighborhood i
n tow
Somebody trapped in the underground basement just a few blocks
down the road
Northwest apartment, apartment

With three guitars and one amplifier I'm gonna blow the dust of
f this scene
Everybody in population are gonna find out what I mean
Northwest apartment, apartment
When all the parts equal more than the sum
And the sum equals none

This thing was built in a day knowing that the Romans took long
er than that
We brought a bass player a cold old soul and he's a first class
welcome mat
Well cleaned apartment! Apartment

In the morning I walk up I'm ready for the night time to begin
And what's that over there on my pillow someone sleeping in my
bed
Northwest apartment, apartment

When all the parts equal more than the sum
And the sum equals none
Yeah, well
