## Asleep at the Wheel

**Band of Skulls** 

I went upstate Asleep at the wheel, yeah Double the win Near leather feel, yeah When I'm safe and sound In echo distant dibs, dibs My feet and that detail Thank God for A, B, S 'Cause where we are going, is anyone's guess Yeah! Took the bait So that you, yeah Born again To die and to The sun shines behind me, to behind the glass The only, yeah I don't have time to wonder Don't have time to miss 'Cause where we are going, is anyone's guess Yeah! Anyone's guess 'Cause where we are going, is anyone's guess Yeah! Anyone's guess

Yeah!
