

# Cold Sweat

Band of Skulls

Like a cold cold sweat alright  
I got the fever for you tonight  
and I can't stop no, I won't stop,  
How can I stop when nothing is enough

I got this feeling in my bones  
something loving god only knows  
and I can't sleep oh I won't sleep  
How can I sleep when nothing is enough

So do it, what you waiting for?  
surely enough to go on  
You got me yearning, like never before  
and I don't want to lose love

You got to live and let it knock you out  
I haven't learnt so don't ask me what it's all about  
I can't speak and I won't speak  
How can I speak when nothing is enough

There's still a cold cold sweat alright  
There's still a fever for you alright  
and I can't stop, no I won't stop  
How can I stop when nothing is enough

So do it what you waiting for  
surely enough to go on  
You got me yearning, like never before  
and I don't want to lose love
