

Impossible

Band of Skulls

Everyday I'm disappearing
out of sight and out of hearing
it's impossible
it's impossible
to be invincible
to be invincible

More and more it happens daily
my first name's George the second Bailey
it's impossible
it's impossible
to be invincible
to be invincible

I am a man
I am a man
I am a man
I am a man
'cause you said I am
yeah

So cut me out of the family photo
who would've thought of sinking so low
it's impossible to be invincible
but maybe it's possible to be impossible
I am a man
I am a man
I am a man
I am a man
'cause you said I am
yeah

I am a man
I am a man
I am a man
I am a man
'cause you said I am
yeah
