Band of Skulls

Everyday I'm disappearing  
out of sight and out of hearing  
it's impossible  
it's impossible  
to be invincible  
to be invincible

More and more it happens daily  
my first name's George the second Bailey  
it's impossible  
it's impossible  
to be invincible  
to be invincible

I am a man  
I am a man  
I am a man  
I am a man  
'cause you said I am  
yeah

So cut me out of the family photo  
who would've thought of sinking so low  
it's impossible to be invincible  
but maybe it's possible to be impossible  
I am a man  
I am a man  
I am a man  
I am a man  
'cause you said I am  
yeah

I am a man  
I am a man  
I am a man  
I am a man  
'cause you said I am  
yeah
