

## So Good

Band of Skulls

Never had it before  
Never knew, the score, till now  
Never got the way it goes  
Then you walked through the door

It was always a haze  
Something new to pass the days  
I was all liquored and blind then,  
You, blew, my mind

You're so good  
You're so good for me!  
Good for me  
[x2]

Tried to find the way  
Looking up, and all around  
Now you turn the lights up bright  
It's, you that, I've found

And the tide is high,  
And the water over-flows,  
And no matter what comes and goes  
This will never die

You're so good  
You're so good for me!  
Good for me  
[x4]

Lonely rogue  
Never thought that I would find it  
So it goes, always when you least expect it  
Only one, in the world who knows me like that  
Only one in the world who knowwss it!

You're so good  
You're so good for me  
(good for me)  
So so so good for me.

You're so good  
You're so good for me  
(good for me)  
So so, So good for me

You're so good  
You're so good for me  
(so good for me)  
You're so - good for me

You're so good  
You're so good for me  
Good for me
