

# Rock Rebellion

Bang Camaro

Fists up  
If you believe in us  
Fists up  
If you are one of us

We know it starts tonight  
We know the time is right  
You know that we've become  
All that's been undone

We're not our father's sons  
We are the chosen ones  
We will defeat the light  
Rebellion starts tonight

Lights out  
Let the power guide you  
Lights out  
Let us be your guide

We know it starts tonight  
We know the time is right  
You know that we've become  
All that's been undone

We're not our father's sons  
We are the chosen ones  
We will defeat the light  
Rebellion starts tonight

We are all the victims  
But we've found our way  
Penetrate the pain  
And you will hear us say

Whoah-oh-oh-oh-ah-oh  
Whoah-oh-oh-oh-ah-oh  
Whoah-oh-oh-oh-ah-oh  
Whoah-oh-oh-oh-ah-oh

We're not our father's sons  
We are the chosen ones  
We will defeat the light  
Rebellion starts tonight  
Oh, yeah!
