

# Hard Life Simple Song

**Bang Gang**

You are awesome  
Flying in my eyes  
You are awesome  
Flying in my eyes  
You are awesome  
Flying in my eyes  
You are awesome  
Flying in my eyes  
You must wait  
Your life will float away  
You must wait  
Your life will float away  
Why can't life be  
As simple as the sun?  
(You must wait  
Your life will float away)  
Why can't life be  
As simple as this song?  
(You must wait  
Your life will float away)  
Why can't life be  
As simple as the sun?  
(Repeat 2xs)  
(Most people are like boats  
When they're on top  
They have something  
It doesn't matter  
Just forget it right away  
They say I will remember...  
Just to never let me be )  
As simple as this song?
