

## Where's the Fun in That?

**Bang Sugar Bang**

It's okay to dance  
You can do it if you wanna  
It's okay to dance  
If you wanna  
It's okay to jump  
It's okay Ill even build the wall  
It's okay I aint afraid to fall  
If you wanna  
It's okay to shout  
Tell everybody that you're sick of it  
You get your fill and then you triple it  
If you wanna  
I can't find it I can't find the jump  
Jump c'mon c'mon
