

Don't Need Nobody

Bang

Pushed around, up and down, we started to lose our way
Wanting one thing, then made to do another
Oh! Lord there's gotta be a better way
We don't need nobody to tell us what we want
Cause now we know, yes we know

Miles and miles, always on the go
We played to all the waiting ears
Did our trip the best way we knew how, and conquered all our fe
ars

We don't need nobody to tell us what we want
Cause now we know, yes we know
People thought we were too young to know our minds
Thought they knew, think they know!
But now we're gonna show them the best way we know how
So here we go, here we go
