

Future Shock

Bang

Can you feel those tidal waves
Slashing knives of endless change
Screwing up your patterned lives
Raining down wretched strife

Hashish dreams - Junkie screams
Crocodile tears - Escape your fears

Apathetic nine to five
Cashing paychecks to survive
Vandals lurking in the streets
Gloat behind their worthless feats

Hashish dreams - Junkie screams
Crocodile tears - Escape your fears
Crying-dying Future Shock

Teenyboppers idolize
Cash and carry packaged highs
Figurines stalk your space
Home is nothing but a place

Fearing ours will be there fate
Those across the water wait
Creeping tides mount their shore
Ominous rumble groans to roar

Hashish dreams - Junkie screams
Crocodile tears - Escape your fears
Crying-dying Future Shock
