Can you feel those tidal waves Slashing knifes of endless change Screwing up your patterned lives Raining down wretched strife

Hashish dreams - Junkie screams Crocodile tears - Escape your fears

Apathetic nine to five Cashing paychecks to survive Vandals lurking in the streets Gloat behind their worthless feats

Hashish dreams - Junkie screams Crocodile tears - Escape your fears Crying-dying Future Shock

Teenyboppers idolize
Cash and carry packaged highs
Figurines stalk your space
Home is nothing but a place

Fearing ours will be there fate Those across the water wait Creeping tides mount their shore Ominous rumble groans to roar

Hashish dreams - Junkie screams Crocodile tears - Escape your fears Crying-dying Future Shock
