

All About You

The Bangles

You were so amused when I made myself available.
You had to ask if it was all intentional.

Well, somethin's goin' on ... on and on
Somethin's goin' on ... on and on
I'm finding out all about you.
The sun is hiding and the car is running badly, I
know only one way out of our friendship, kiss off and goodbye

You're takin' it all too hard, I've nothing left to fight you w
ith
All your pretty things are merely to create the myth that

Somethin's goin' on ... on and on
Somethin's goin' on ... on and on
I'm finding out all about you, yeah
I'm finding out all about you.
