

## In Your Room

The Bangles

I love it in your room at night  
You're the only one who gets through to me  
In the warm glow of the candlelight  
Oh, I wonder what you're gonna do to me.

(In your room)  
I come alive when I'm with you  
I'll do anything you want me to  
In your room.

I love it in your room all day  
When you're gone I like to try on all your clothes  
You won't regret it if you let me stay  
I'll teach you everything that a boy should know.

(In your room)  
I'm alive when I'm with you  
Gonna make your dreams come true  
In your room.

I feel good in your room  
Let's lock the world out  
Feels so good when we kiss  
Nobody ever made me crazy like this.

I love it in your room at night  
You're the only one who gets through to me  
In the warm glow of the candlelight  
Oh, I wonder what you're gonna do to me.

(In your room)  
I'll do anything you want me to  
Only wanna be with you  
In your room, in your room.

I feel good in your room  
Let's lock the world out  
Feels so good when we kiss  
Nobody ever made me crazy like this.

In your room, in your room.  
(In your room...in your room)  
(In your room...in your room)  
(In your room).
