

# Something That You Said

The Bangles

Everything in a moment, starting where  
Something you said is hanging in the air  
Now I know my life is sweetening  
Changing everything

Something that you said  
Turned me from the inside out  
Running through my head  
Something I have dreamed about  
And I feel so real  
And it feels so right  
(Something you said)

Showing you every weakness and feeling strong for it  
I used to run from real love, now I long for it  
Now I know what I've been missing  
Since I've been listening

Something that you said  
Turned me from the inside out  
Lying in my bed  
Whispering your name out loud  
And I feel so real  
And it feels so right  
Something that you said  
Got through to me tonight

Never so far you can't call me back  
I'm never more than a single kiss away, hey

And I feel so real  
And it feels so right  
(Something you said)

Something that you said  
Turned me from the inside out  
Running through my head  
Something I have dreamed about  
And I feel so real  
And it feels so right

Something that you said  
Turned me from the inside out  
Lying in my bed  
Whispering your name out loud  
And I feel, and I feel  
And it feels so right  
Something that you said  
Turned me from the inside out  
Running through my head  
Something I have dreamed about
