

Walking Down Your Street

The Bangles

Oooh, oh I've had sleepless nights
Toss and turn, wake up burning
For what you inspire.

So, I'm gonna walk right down your street
With a love that I can't hide
I've got one thing on my mind
Yeah, I'll even sacrifice my pride, 'cause I want you.

Oooh, oh how I wish you would be mine
My pulse is weak, I'm blushing brighter
Then a valentine.

'Cause I've been walking down your street
With a love that I can't hide
I've got one thing on my mind
Yeah, I'll even sacrifice my pride.

'Cause I can't stop the way I feel
So, I'll keep walking on, 'cause I want you.

(Walking...down...down...down your street
Walking...down your street)
Walking...down your street (walking)
Down your street (walking...down...down...down)
Oh no (walking) oh-woe-oh.

I can't stop the way I feel
So, I'll keep walking on.

Walking down your street
With a love that I can't hide
Oh, I've got one thing on my mind
Yeah, I'll even sacrifice my pride ('cause I want you).

Walking down your street
With a love that I can't hide
Yeah, I've got one thing on my mind
Yeah, I'll even sacrifice my pride ('cause I want you).

Walking down your street
With a love that I can't hide
Oh, I've got one thing on my mind
Yeah, I'll even sacrifice my pride ('cause I want you).
