

# I Will Love Again

Baracuda

Did I ever tell you  
How you live in me  
Every waking moment  
Even in my dreams

And if all this talk is crazy  
And you don't know what I mean  
Does it really matter, ohh oh  
Just as long as I believe

I will love again  
Though my heart is breaking  
I will love again  
Stronger than before

I will love again  
Even if it takes a lifetime to get over you  
Heaven only knows

People never tell you  
The way they truly feel  
I would die for you gladly  
If I knew it was for real

So if all this talk sounds crazy  
And the words don't come out right  
Does it really matter  
If it gets me through this night

I will love again  
Though my heart is breaking  
I will love again  
Stronger than before

I will love again  
Even if it takes a lifetime to get over you  
Heaven only knows

If I'm true to myself  
Nobody else can take the place of you  
But I've got to move on  
Tell me what else can I do

I will love again  
Though my heart is breaking  
I will love again  
Stronger than before

I will love again  
Even if it takes a lifetime to get over you  
Heaven only knows
