

# Moon Calls

Barathrum

I Am Lying On My Sheets  
In My Sweat I Cannot Sleep  
I Stare The Ceiling Without Rest  
I Feel The Calling Of Moon  
Wakeful Night, Fullmoon Prevails  
Night Calls For Expedition  
I'm Possessed By Night And Shadows  
Moon Calls Me Up For Hunt  
I Hunt Dark Experiences  
I Spit Fire, I Bark For Moon  
I Sing And Dance On The Hills  
Fullmoon Is Obsession Of Mine  
I Feel The Beast Inside Of Me  
I Must Open Myself Right Now  
I Adore The Force Of Moonlight  
I Run, I Bark In The Night

Fullmoon Prevails  
Night Is Calling  
Shadows - My Obsession
