Barathrum

His witch immortal  
black blood in his veins  
clever mind, dark knowledge  
made him strong  
he's witchmaster

He has lots of enemies  
those damned slaves  
tools of slavemorality  
who hate individualism  
He has power of witchcraft  
spells and rites of hexxcraft  
black magick and okkultism  
He is witchmaster

Witch blood is black  
as black as their magick
