

## Find Out What's Happening

Barbara Fairchild

Baby you know me well you know I mean what I say  
Before I say farewell I'll give you just another day  
So you can find out what's happening find out what's happening  
before long  
If you don't find out what's happening you're gonna find out th  
at I'm gone  
Tell me what you're gonna now do you better make up your mind  
It all depends on you or I'm leavin' you far behind  
You'd better find out what's happening find out what's happenin  
g before long  
If you don't find out what's happening you're gonna find your m  
ama gone  
[ guitar ]  
Well baby you know it's true we've been through thick and thin  
But if you don't come through you won't ever see me again  
So you'd better find out what's happening find out what's happe  
ning before long  
If you don't find out what's happening you're gonna find your b  
aby gone  
Find out what's happening find out what's happening
