

## Under Your Spell Again

Barbara Fairchild

I swore the last time that you let me down  
That I wouldn't see you if you came around  
But I can't tell my heart what's right or wrong  
And I've been so lonely since you've been gone  
You've got me under your spell again saying those things again  
Making me believe you're just mine  
You've got dreaming those dreams again thinking those things again  
I've gotta take you back just one more time

Everybody tells me that I'm a fool  
That I never should have put my faith in you  
And way down deep inside I guess I know it's true  
But no one else can make me feel the way you do  
You've got me under your spell again...  
Yes I've gotta take you back just one more time
