

'cause I love you

Barbara Haščáková

I, I need you for tonight
I need you for my life
You are my loverboy
I want to be your toy
If you open your heart
I want you to be my part
I'm waiting for your love
Oh yeah, oh yeah
Oh girl, you will put my heart in fire
When I look at you I'm in love with you
Oh girl I want you be my desire
Every day without you I think I'm losing you
You are my life, you are my shining sun
You are so pretty for it knows everyone
Oh girl, I want you by my side
I don't wanna leave you, I'd hold you tight
Oh yeah, I wanna make you feeling
Oh yeah, now I wanna make you feeling
Oh yeah, I make you happy love
Because I love you my baby
'cause I love you my baby
I, I see it in your eyes
It's true, your eyes don't lie
They say you love me too
I read that I love you
Let us go in that way everything the love will say
Don't hide your feeling boy
Oh yeah, Oh yeah
Oh girl, you are making me crazy
Oh girl, you are making me crazy
Oh girl, you are ma shining sun
Oh girl, you are making me crazy
Oh girl, you will put my heart in fire
Oh girl, I want you to be my desire
Oh girl, you are making me crazy
I want to be your lover 'cause you make me crazy
