

Dancing queen

Barbara Haščáková

R: You can dance, you can jive,
having the time of your life
See that girl, watch that scene,
dig in the dancing queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music,
getting in the swing
You come in to look for a king
Anybody could be that guy
Night is young and the music's high
With a bit of dance music, everything is fine
You're in the mood for dance
And when you get the dance ...

R: You are the dancing queen,
young and sweet, only seventeen
Dancing queen, feel the beat from the tambourine, ouu yee

R: You can dance, you can jive,
having the time of your life
See that girl, watch that scene,
dig in the dancing queen

You're a teaser, you turn'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance

Dancing queen, you gonna burn me up
Dancing queen, baby please don't stop
Dancing queen, you are makin'me strong
With this song, all night long
Dancing queen, you will give me the power
I wanna be your king, I wanna be your lover
Flow with me all thru the night
By my side

Hmi R
And when you get the chance ...

R:

See that girl, watch that scene,
dig in the dancing queen
See that girl, watch that scene,
dig in the dancing queen
