

Hey You

Barbara Haščáková

Hey you
Why do you think you don't need me
Hey you
Why don't you want to meet me
I'm waiting when comes the moment
To find favour in your eyes

Hey you
Why are you getting so mad
Hey you
Why are you not in your shape
I'm waiting when comes the moment
To find favour in your eyes
This song I'm singing about you
This song I don't like without you
This song means nothing if you don't see at me
If you don't hear me
Hey you
You get too big for your boots
Hey you
You get into my good books
I'm waiting when comes the moment
To find favour in your eyes
Hey you
Come with me make it that way
Hey you
Can't take it from me I say
I'm waiting when comes the moment
To find favour in your eyes
Listen to the song that is written for you
It's talking about you, what you have to do
When a girl likes a boy, a boy likes a girl
There is only way to keep it together
This our song don't have a sense
When you don't listen to it, to this romance
What I've written for you, like for my love
What I sing it for you, I wanna sing it now
I hope that with song I'll open your eyes
I hope I will finally open your heart
Hey you know what I feel to you
And I'm sure you will love me too
