

Make Me Belong To You

Barbara Lewis

MAKE ME BELONG TO YOU

Barbara Lewis

Darlin, I am whatever you make me

So baby, baby whatever you make me

Make me belong to you

I can be a beggar or a queen

You've got the power to make me anything

You've got the power so open your heart

It's up to you

Yeah, 'cause darlin' I am whatever you make me

So baby, baby whatever you make me

Make me belong to you

I can be a puppet on a string

You've got the power to make me anything

You've got the power so open your heart

It's up to you

Yeah, darlin' I am whatever you make me

So baby, baby whatever you make me

Make me belong to you
