

Do Right Woman Do Right Man

Barbara Mandrell

If you wanna do right all day's woman
You gotta be a do right whole night's man

Take me to heart and I'll always love you
And nobody can make me do wrong
Take me for granted leavin' love unshown
Makes willpower weak and temptation strong

A woman's only human this you should understand
She's not just a plaything she's flesh and blood just like her
man

If you wanna do right all day's woman
You gotta be a do right whole night's man

They say, "It's a man's world" you can't prove that by me
As long as we're together baby show some respect for me

If you wanna do right all day's woman
You gotta be a do right whole night's man
If you want a do right all day's woman
You gotta be a do right whole night's man
A do right whole night's man
