## **Standing Room Only**

## **Barbara Mandrell**

You must think my bed's a bus stop The way you come and go I ain't seen you with the lights on Two nights in a row

So pack your rusty razor Don't bother with goodbye Your cup runneth over But mine is always dry

Standing room only I can't stand no more Standing room only Outside my door

Don't help me set the table 'Cause now there's one less place I won't lay mama's silver For a man who won't say grace

If home is where the heart is Then your home's on the street Me, I'll read a good book Turn out the lights and go to sleep

Standing room only I can't stand no more, no more Standing room only Outside my door

Standing room only I can't stand no more, no more Standing room only Outside my door
