

# Ten Pound Hammer

Barbara Mandrell

If somebody would've told me  
One woman could hold me  
And leave me weak as a baby  
I'd have told 'em they were crazy

Love hit me like a  
ten pound hammer  
A ten pound hammer  
with a five foot swing

I used to play it so cool  
Lord knows that I was no fool  
No chains would ever bind me  
But those days are all behind me-  
you see

Love hit me like a  
ten pound hammer  
A ten pound hammer  
with a five foot swing

I never saw love's power  
Just the hearts and the flowers  
When I fell it was frightening  
It struck me down like lightning-  
when

Love hit me like a  
ten pound hammer  
A ten pound hammer  
with a five foot swing

I used to live like a rolling stone  
Nobody had a hold on me  
All it took was a kiss from you  
To bring me right to my knees

Love hit me like a  
ten pound hammer  
A ten pound hammer  
with a five foot swing

Yeah, that's all she wrote
