

## Treat Him Right

Barbara Mandrell

I wanna tell you a story  
Every girl oughta know  
If you want a little loving  
You gotta start real slow  
He's gonna love you tonight  
If you just treat him right

Squeeze a real gentle  
You gotta make him feel good  
Tell him that you love him  
Like you know you should  
'Cause if you don't treat him right  
He won't love you tonight

Hey hey hey hey

If you practice my method  
Just as hard as you can  
You gonna get the reputation  
That you can love your man  
And you'll be glad every night  
That you treated him right

Hey hey hey hey

I wanna tell you a story  
Every girl oughta know  
If you want a little loving  
You gotta start real slow  
He's gonna love you tonight  
If you just treat him right

He's gonna love you tonight  
If you just treat him right  
And you'll be glad every night  
That you treated him right  
And you'll be glad every night  
That you treated him right
