

# I Need Love

Barbara Mason

I need love  
I wanna be kissed  
I need love  
I wanna be hugged

Oh, baby  
My mother told me  
It's not a thing  
For a girl to think of  
But I, but I need love

I want to be loved, baby  
I want you to hold me so tight  
Hold my hand and kiss me goodnight  
I need your love, I need love

I'm a girl  
But I feel like a woman  
(A woman, a woman, a woman)  
I want you to act like a man

My soul's on fire and I have  
Such a wild desire burning inside  
Oh, baby, oh, baby  
I need your love, I need love

Oh, hold me tight  
Squeeze me all through the night  
Make me know you're mine  
All of the time

I need love, I need love  
I wanna be kissed  
I need love, I need love  
I wanna be hugged

I'm burning inside  
With such a wild desire  
Oh, baby, oh baby  
I need your love

And I'm burning inside  
I need love  
I need your love  
I'm burning inside
