Apocalyptic Nuclear Hell

Barbatos

I puke fire on the feeble flock of god The mind fucked poser holocaust is here

We are ready to annihilate Torment, destroy and descecrate Everything that is sacred All the shit called holy

Gods kingdom in ruins
Nuclear fucking Holocaust
Heed the call from Hades
Unleash the demon seed

Kerberos Feast upon the sheep Mendes Now consume the weak

We are ready to annihilate Torment, destroy and descecrate Everything that is sacred All the shit called holy

Your god gave you hope Well he is long since dead Now the Devils rules His demons must be feed

Red Holocaust clouds The ritual is done Baphomet in triumph Forever heaven gone

We are ready to annihilate Torment, destroy and descecrate Everything that is sacred All the shit called holy
