

## Exterminations

Barbatos

Displeased by war neurosis  
Worship blood and fire  
The joy of life and death  
Warning of the end

Suffocation! Revenge!  
Exterminations

When I look into your face  
Escape from reality  
Hellfire and damnation  
Death is coming

Suffocation! Revenge!  
Exterminations

I'm the god of war  
The freak shows can begin  
Abomination of the death  
Feeling the fire
