

Ready to go for the final battle  
Hard as metal, with strength from evil  
Armed to the teeth, I've taken the offensive  
G- point is my ultimate objective

Sex war machine  
I command pleasure and sin  
My intense fire power  
Drives her crazier  
G- point / unceasing attack  
G- point / a demonic pact  
G- point / feeding your last  
G- point / psychedelic fuck

I bomb the enemy's position  
Satisfaction in bestial penetration  
Comings and goings between her things  
I show her total hell until she sighs

Sex war machine  
I command pleasure and sin  
My intense fire power  
Drives her crazier  
G- point / unceasing attack  
G- point / a demonic pact  
G- point / feeding your last  
G- point / psychedelic fuck

Finally comes the furious ecstasy  
A satanic and victorious frenzy  
Warlike orgasm, G-point has been reached  
I am the devil and I fucked this bitch

Sex war machine  
I command pleasure and sin  
My intense fire power  
Drives her crazier  
G- point / unceasing attack  
G- point / a demonic pact  
G- point / feeding your last  
G- point / psychedelic fuck
