

# I Hate My Life

Barbatos

Cold eyes of hate  
Everybody is possessed  
Everybody is f\*\*k  
Crush the weak

Eternal nightmare  
Born in lust

Sodomy at the graves  
Torment in fire

Evil power comes from hell  
Mayhem and holocaust  
Summon the demons  
Eternal morbid lust

Eternal nightmare  
Born in lust

Sodomy at the graves  
Torment in fire

Bestial warriors of death  
Piss on the graves  
Sodomy in every sight  
Armageddon is here
