

Metal Hangover

Barbatos

Every time I go to town
Hunting sluts and buy beer
I found tonight dinner
Metal want to bang head

Metal till death Sign of Evil!
Drink till death Hang over!

I can't wake up this morning
Feel so bad and vomiting
Pain, Torture, Blood, Death
Let's fucking die!

Metal till death Sign of Evil!
Drink till death Hang over!

I am the daemon of metal
Satanik sluts open your legs
Metal fist fuck your hole
This is headbangers lifestyle

Metal till death Sign of Evil!
Drink till death Hang over!
