

Red Leather Bitch

Barbatos

Devil's daughter stalks the night
Wearing leather for your delight
She's so horny and hungry to fuck
Hunting someone where to suck

She will rape you over and over
Work your penis like a bulldozer
You will cum on her lips
Crush your balls against her tits

Red leather bitch!!!

A wet pussy that makes you drunk
Your stallion tongue ignites her cunt
Like a volcano she's hot and wild
Now she's ready for doggy style

She will rape you over and over
Work your penis like a bulldozer
You will cum on her lips
Crush your balls against her tits

Red leather bitch!!!
