

## Red Leather Bitch

Barbatos

Devil's daughter stalks the night  
Wearing leather for your delight  
She's so horny and hungry to fuck  
Hunting someone where to suck

She will rape you over and over  
Work your penis like a bulldozer  
You will cum on her lips  
Crush your balls against her tits

Red leather bitch!!!

A wet pussy that makes you drunk  
Your stallion tongue ignites her cunt  
Like a volcano she's hot and wild  
Now she's ready for doggy style

She will rape you over and over  
Work your penis like a bulldozer  
You will cum on her lips  
Crush your balls against her tits

Red leather bitch!!!
